All--

Resending with the correct updated code categories. The attachment I had sent earlier didn't have the new ones highlighted. Thanks Jayne for catching.

I've consolidated the coded comments I've received so far. Comments 1-56 and 80-84 are done (Thanks Jayne and Jenny!). I've also made a few additions to the list of potential codes to cover a few reoccurring themes that I found in some of my comments. I've highlighted them in yellow so you know what's new.

Chris and Don, send me your's when you're done and I can add to the list and start sorting by category.
